

Cambridge Economic Policy Review

In 1982, the Cambridge Economic Policy Review will be published in two parts and will be available on subscription.

The topics covered are:

Vol. 8 No. 1 (April) A detailed study of prospects for the UK economy in the 1980s and an assessment of the debate between Thatcherites, centre parties and the Labour left on when and how economic recovery can be achieved.

Vol. 8 No. 2 (December) An examination of prospects for different regions within the UK. Uses an integrated model to show how processes of structural change and migration interact with national and international developments to determine job opportunities and the level of unemployment in each part of the country.

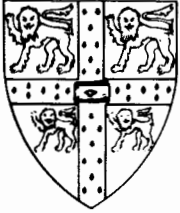

The rates for the two issues are:

UK: £16.50 including postage and packing.

All other territories: \$35.00 (airmail extra).

Single issues: £9.00 or \$19.00 including postage and packing.

Available from Subscription Department, Gower Publishing Company Limited, Gower House, Croft Road, Aldershot, Hampshire GU11 3HR, England. Telephone Aldershot (0252) 331551.
